RE: Support Worker – Relief Team Position

Dear Hiring Manager,

I am writing to apply for the Support Worker – Relief Team position with Identitywa. I am a compassionate and dedicated support worker with a Certificate III in Individual Support (Ageing and Disability), hands-on experience in aged care and disability support, and a strong commitment to person-centred care that promotes dignity, independence, and community participation.

I have practical experience supporting individuals with diverse care needs through my work at Bethanie Gwelup Aged Care, my 120-hour placement at Juniper Hilltop Aged Care, and my experience as a family carer providing palliative support. Across these roles, I have assisted with personal care, mobility support, hygiene routines, meal preparation, emotional support, and daily living activities while maintaining respect, privacy, and dignity at all times.

I also have experience working in structured environments requiring communication, teamwork, documentation, and following care or operational plans. I am confident supporting participants with community access, social engagement, and daily routines including appointments, recreational activities, and meaningful outings.

I am particularly drawn to Identitywa because of your commitment to empowering people with disability to live with purpose, belonging, and wellbeing. I strongly align with this approach and take pride in supporting individuals to achieve their goals through respectful and consistent care.

I am available for flexible shifts including mornings, afternoons, evenings, weekends, and short-notice relief work. I hold a valid driver's licence with my own vehicle, First Aid & CPR certification, a National Police Check, and I am willing to complete all required NDIS compliance modules and training.

I would welcome the opportunity to contribute to your Relief Team and support participants in achieving independence, confidence, and quality of life.

Thank you for your time and consideration. I look forward to the opportunity to discuss my application further.

Kind regards,

Marco Cavani
